

ELECTION OF INVENTION AND REMARKS

Applicant elects Group I in response to the Examiner's requirement for restriction.

Newly added Claims 79-83 correspond to Claims 1-5 of Applicants' Preliminary Amendment of May 23, 2001, which were not previously entered by the Examiner. In addition, it has come to the attention of Applicants that Claims 1-50 had not been previously canceled. The Examiner may wish to review the file history to ensure that the proper fees have been charged.

The Examiner is invited to review the remarks that Applicants included with their Second Preliminary Amendment of July 12, 2002, in which Applicants distinguish their claims from the prior art. The Examiner is invited to call the undersigned if a telephone conference will expedite the prosecution of this application.

Respectfully submitted,
Robert C. Barrett
